Civil Action No. _____

STATE FARM LLOYDS' NOTICE OF REMOVAL

TO THE HONORABLE UNITED STATES DISTRICT JUDGE:

State Farm Lloyds ("State Farm") files this Notice of Removal pursuant to 28 U.S.C. §1446(a) and respectfully shows the following:

Procedural Background

1. On July 1, 2015, Fernando Renteria ("Plaintiff") filed his Original Petition ("Original Petition") styled Cause No. 15-07-31607-MCVAJA; *Fernando Renteria v. State Farm Lloyds*; In the 365th Judicial District Court, Maverick County, Texas. State Farm was served with citation on August 7, 2015.

Nature of the Suit

2. This lawsuit involves a dispute over State Farm's handling of Plaintiff's insurance claims for damages from a storm allegedly sustained by his residential property: 1132 Kiriaka Drive, Eagle Pass, Texas 78852. Plaintiff claims State Farm breached the insurance contract, the duty of good faith and fair dealing and an alleged fiduciary duty, committed negligence, misrepresentation and fraud by negligent misrepresentation, and violated the Texas Insurance

Code and DTPA. Plaintiff seeks actual damages, consequential damages, treble damages, statutory penalties, exemplary damages, mental anguish damages, court costs and attorney's fees.

Basis for Removal

3. Removal is proper under 28 U.S.C. §1332 because there is complete diversity of citizenship between the parties and the amount in controversy exceeds \$75,000.00, exclusive of interest and costs.

4. There is complete diversity of citizenship between the parties. At the time Plaintiff filed his Original Petition on July 1, 2015, and as of the date of filing this Notice, State Farm was an association of underwriters whose individual underwriters were all residents and citizens of the state of Illinois.¹ Accordingly, at the time of filing of this suit, and through the filing of this Notice, State Farm was and is considered an out-of-state citizen for diversity jurisdiction purposes.

5. Upon information and belief, Plaintiff was a citizen of Texas when he filed his Original Petition, and continues to be a citizen of Texas. (See Plaintiff's Original Petition, ¶ 3.)

6. Further, this Court has diversity jurisdiction over this matter because the amount in controversy exceeds \$75,000.00, exclusive of interest and costs. Plaintiff pleads in his Original Petition that he is seeking monetary relief over \$100,000 but not more than \$200,000. (See Plaintiff's Original Petition, ¶ 69.)

7. In determining the amount in controversy, the court may consider "policy limits and potential attorney's fees, ... penalties, statutory damages, and punitive damages."² Here,

¹ See *Royal Ins. Co. of America v. Quinn-L Capital Corp.*, 3 F.3d 877, 882 (5th Cir. 1993), *cert. denied*, 114 S. Ct. 1541 (1994) (defining "Lloyds' Plan" insurer). *Alcorn v. State Farm Lloyds*, Civil Action No. 3:98-CV-0772-BC, 1998 U.S. Dist. LEXIS 17144, *3-4 (N.D. Tex. Oct. 23, 1998) (recognizing that State Farm Lloyds' underwriters are citizens of Illinois).

² *St. Paul Reinsurance Co., Ltd v. Greenberg*, 134 F.3d 1250, 1253 (5th Cir. 1998); see *Ray v. State Farm Lloyds*, 1999 WL 151667 (N.D. Tex. Mar. 10, 1999) at *2-3 (finding a sufficient amount in controversy in Plaintiffs' case against their insurance company for breach of contract, fraud, negligence, gross negligence, bad faith, violations of

Plaintiff claims that a storm caused damages to his property that Plaintiff insured through State Farm.³ Plaintiff seeks unspecified damages for State Farm's refusal to fully compensate him under the terms of his insurance contract, Policy Number 83-LV-5245-8.⁴ Policy Number 83-LV-5245-8 is a Texas Homeowner's Policy with coverage limits of \$137,684 for the dwelling, \$103,263.00 for personal property, and the actual amount of additional living expenses.

8. Further, Plaintiff seeks actual, consequential, exemplary, and mental anguish damages and statutory penalties for his fraud claims and violations of the duty of good faith and fair dealing, the Texas Insurance Code and DTPA.⁵ Further, Plaintiff seeks treble damages under the Texas Insurance Code and DTPA based on allegations State Farm acted "knowingly."⁶ Plaintiff also seeks attorney fees.⁷ Thus, given Plaintiff's statement of the monetary relief he is seeking in this suit in his petition, the Policy involved in Plaintiff's claim, the nature of Plaintiff's claim, and the types of damages sought, it is more likely than not that the amount in controversy exceeds the federal jurisdictional minimum of \$75,000.00.

9. Additionally, Plaintiff sent State Farm a demand letter dated June 16, 2015 explaining Plaintiff's alleged entitlement to \$90,320.91 in actual damages and \$10,000.00 in attorney's fees. Accordingly, Plaintiff himself believes that at least \$100,320.91 is at issue in this suit. Courts consider plaintiffs' demand letters in ascertaining the amount in controversy.⁸

the Texas Insurance Code, violations of the Texas Deceptive Trade Practices Act, and mental anguish); *Fairmont Travel, Inc. v. George S. May Int'l Co., et. al.*, 75 F. Supp. 2d 666, 668 (S.D. Tex. 1999) (considering DTPA claims and the potential for recovery of punitive damages for the amount in controversy determination); *Chittick v. Farmers Insurance Exchange*, 844 F. Supp. 1153, 1155 (S.D. Tex. 1994) (finding a sufficient amount in controversy after considering the nature of the claims, the types of damages sought and the presumed net worth of the defendant in a claim brought by the insureds against their insurance company for actual and punitive damages arising from a claim they made for roof damages).

⁸ See, e.g., *Addo v. Globe Life & Acc. Ins. Co.*, 230 F.3d 759, 761-62 (5th Cir.2000) (holding demand letter constituted an "other paper" for ascertaining amount in controversy).

The Removal is Procedurally Correct

10. State Farm was first served with the Original Petition on August 7, 2015. Therefore, State Farm filed this Notice of Removal within the 30-day time period required by 28 U.S.C. §1446(b).

11. Venue is proper in this district under 28 U.S.C. §1446(a) because this district and division embrace the place in which the removed action has been pending and because a substantial part of the events giving rise to Plaintiff's claims allegedly occurred in this district.

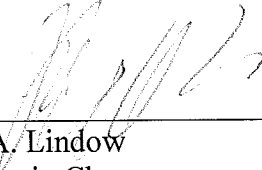

12. Pursuant to 28 U.S.C. §1446(a), all pleadings, process, orders, and all other filings in the state court action are attached to this Notice as Exhibit A.

13. Pursuant to 28 U.S.C. §1446(d), promptly after State Farm files this Notice, written notice of the filing of this Notice of Removal will be given to Plaintiff, the adverse party.

14. Pursuant to 28 U.S.C. §1446(d), a true and correct copy of this Notice will be filed with the District Clerk of Maverick County, Texas, promptly after State Farm files this Notice.

WHEREFORE, STATE FARM LLOYDS requests that this action be removed from the 365th Judicial District Court of Maverick County, Texas to the United States District Court for the Western District of Texas, Del Rio Division, and that this Court enter such further orders as may be necessary and appropriate.

4. Defendant State Farm is a Texas insurer, which may be served with process by serving this Original Petition and a copy of the citation on its Registered Agent, Rendi Black C/O State Farm, at its registered address, 17301 Preston Road, Dallas, Texas 75252-5727.

BACKGROUND

5. This matter revolves largely around a first party insurance dispute regarding the extent of damages and amount of loss suffered to the Plaintiff's Property, which is located at 1132 Kiriaka Drive, Eagle Pass, Texas 78852, (the "Property"). In addition to seeking economic and penalty based damages from Defendant, Plaintiff also seeks compensation from Defendant for damages caused by improperly investigating the extensive losses associated with this case.

6. Plaintiff owns the Property.

7. Prior to the occurrence in question, Plaintiff purchased a residential insurance policy from Defendant to cover the Property at issue in this case for a loss due to storm-related events. Plaintiff's Property suffered storm-related damage. Through his residential policy, 53-5P19-422, Plaintiff was objectively insured for the subject loss by Defendant.

8. On or around April 23, 2014, the Property suffered incredible damage due to storm related conditions.

9. In the aftermath, Plaintiff relied on Defendant to help begin the rebuilding process. By and through his residential policy, Plaintiff was objectively insured for the subject losses in this matter.

10. Pursuant to his obligation as a policyholder, Plaintiff made complete payment of all residential insurance premiums in a timely fashion. Moreover, his residential policy covered Plaintiff during the time period in question.

11. Despite Plaintiff's efforts, Defendant continually failed and refused to pay Plaintiff in accordance with its promises under the Policy.

12. Moreover, Defendant has failed to make any reasonable attempt to settle Plaintiff's claims in a fair manner, although its liability to the Plaintiff under the policy is without dispute.

13. In the months following, Plaintiff provided information to Defendant, as well as provided opportunities for Defendant to inspect the Property. However, Defendant failed to conduct a fair investigation into the damage to the Property. Moreover, Defendant failed to properly inspect the Property and its related damages, failed to properly request information, failed to properly investigate the claim, failed to timely evaluate the claim, failed to timely estimate the claim, and failed to timely and properly report and make recommendations in regard to Plaintiff's claims.

14. Despite Defendant's improprieties, Plaintiff continued to provide information regarding the losses and the related claim to Defendant. Further, Plaintiff made inquiries regarding the status of the losses, and payments. Regardless, Defendant failed and refused to respond to the inquiries, and failed to properly adjust the claim and the losses. As a result, to this date, Plaintiff has not received proper payment for his claim, even though notification was provided.

15. Defendant has failed to explain the reasons for failing to offer adequate compensation for the damage to the Property. Defendant has furthermore failed to offer Plaintiff adequate compensation without any explanation why full payment was not being made. Defendant did not communicate that any future settlements or payments would be forthcoming to pay the entire losses covered under the policy.

16. Defendant has further failed to affirm or deny coverage within a reasonable time. Plaintiff also did not receive timely indication of acceptance or rejection regarding the full and entire claim in writing from Defendant in a timely manner.

17. Defendant has, to date, refused to fully compensate Plaintiff under the terms of the policy for which Plaintiff paid, even though it was Defendant that failed to conduct a reasonable

investigation. Ultimately, Defendant performed a result-oriented investigation of Plaintiff's claim that resulted in an unfair, biased and inequitable evaluation of Plaintiff's losses.

18. Defendant has failed to meet its obligations under the Texas Insurance Code regarding timely acknowledging Plaintiff's claim, beginning an investigation of Plaintiff's claim, and requesting all information reasonably necessary to investigate Plaintiff's claims within the time period mandated by statute.

19. As a result of the above issues, Plaintiff did not receive the coverage for which he had originally contracted with Defendant. Unfortunately, Plaintiff has, therefore, been forced to file this suit in order to recover damages arising from the above conduct, as well as overall from the unfair refusal to pay insurance benefits.

20. In addition, Defendant has failed to place adequate and proper coverage for Plaintiff causing Plaintiff to suffer further damages. As indicated below, Plaintiff seeks relief under the common law, the Deceptive Trade Practices-Consumer Protection Act and the Texas Insurance Code.

CONDITIONS PRECEDENT

21. All conditions precedent to recovery by Plaintiff has been met or has occurred.

AGENCY

22. All acts by Defendant were undertaken and completed by its officers, agents, servants, employees, and/or representatives. Such were either done with the full authorization or ratification of Defendant and/or were completed in its normal and routine course and scope of employment with Defendant.

CLAIMS AGAINST DEFENDANT

23. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

**A.
NEGLIGENCE**

24. Defendant had and owed a legal duty to Plaintiff to properly adjust the structural and property damage and other insurance losses associated with the Property. Defendant breached this duty in a number of ways, including but not limited to the following:

- a. Defendant was to exercise due care in adjusting and paying policy proceeds regarding Plaintiff's Property loss;
- b. Defendant had a duty to competently and completely handle and pay all damages associated with Plaintiff's Property; and/or
- c. Defendant failed to properly complete all adjusting activities associated with Plaintiff.

25. Defendant's acts, omissions, and/or breaches did great damage to Plaintiff, and were a proximate cause of Plaintiff's damages.

**B.
BREACH OF CONTRACT**

26. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

27. According to the policy that Plaintiff purchased, Defendant had the absolute duty to investigate Plaintiff's damages, and to pay Plaintiff's policy benefits for the claims made due to the extensive storm-related damages.

28. As a result of the storm-related event, Plaintiff suffered extreme external and internal damages.

29. Despite objective evidence of such damages, Defendant has breached its contractual obligations under the subject insurance policy by failing to pay Plaintiff benefits relating to the cost to properly repair Plaintiff's Property, as well as for related losses. As a result of this breach, Plaintiff has suffered actual and consequential damages.

C.
VIOLATIONS OF TEXAS DECEPTIVE TRADE
PRACTICES ACT AND TIE-IN-STATUTES

30. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

31. Defendant's collective actions constitute violations of the DTPA, including but not limited to, Sections 17.46(b) (12), (14), (20), (24), and Section 17.50(a) (4) of the Texas Business & Commerce Code. Defendant collectively engaged in false, misleading, or deceptive acts or practices that included, but were not limited to:

- a. Representing that an agreement confers or involves rights, remedies, or obligations which it does not have or involve, or which are prohibited by law;
- b. Misrepresenting the authority of a salesman, representative, or agent to negotiate the final terms of a consumer transaction;
- c. Failing to disclose information concerning goods or services which were known at the time of the transaction, and the failure to disclose such information was intended to induce the consumer into a transaction into which the consumer would not have entered had such information been disclosed;
- d. Using or employing an act or practice in violation of the Texas Insurance Code;
- e. Unreasonably delaying the investigation, adjustment and resolution of Plaintiff's claim;
- f. Failure to properly investigate Plaintiff's claim; and/or
- g. Hiring and relying upon a biased engineer and/or adjuster to obtain a favorable, result-oriented report to assist Defendant in low-balling and/or denying Plaintiff's damage claim.

32. As described in this Original Petition, Defendant represented to Plaintiff that his insurance policy and Defendant's adjusting and investigative services had characteristics or benefits that it actually did not have, which gives Plaintiff the right to recover under Section 17.46 (b)(5) of the DTPA.

33. As described in this Original Petition, Defendant represented to Plaintiff that its insurance policy and Defendant's adjusting and investigative services were of a particular standard, quality, or grade when they were of another, which stands in violation of Section 17.46 (b)(7) of the DTPA.

34. By representing that Defendant would pay the entire amount needed by Plaintiff to repair the damages caused by the storm-related event and then not doing so, Defendant has violated Sections 17.46 (b)(5), (7) and (12) of the DTPA.

35. Defendant has breached an express warranty that the damage caused by the storm-related event would be covered under the subject insurance policies. This breach entitles Plaintiff to recover under Sections 17.46 (b) (12) and (20) and 17.50 (a) (2) of the DTPA.

36. Defendant's actions, as described herein, are unconscionable in that it took advantage of Plaintiff's lack of knowledge, ability, and experience to a grossly unfair degree. Defendant's unconscionable conduct gives Plaintiff the right to relief under Section 17.50(a)(3) of the DTPA.

37. Defendant's conduct, acts, omissions, and failures, as described in this Original Petition, are unfair practices in the business of insurance in violation of Section 17.50 (a) (4) of the DTPA.

38. Plaintiff is a consumer, as defined under the DTPA, and relied upon these false, misleading, or deceptive acts or practices made by Defendant to his detriment. As a direct and proximate result of Defendant's collective acts and conduct, Plaintiff has been damaged in an amount in excess of the minimum jurisdictional limits of this Court, for which Plaintiff now sues. All of the above-described acts, omissions, and failures of Defendant are a producing cause of Plaintiff's damages that are described in this Original Petition.

39. Because Defendant's collective actions and conduct were committed knowingly and intentionally, Plaintiff is entitled to recover, in addition to all damages described herein, mental anguish damages and additional penalty damages, in an amount not to exceed three times such actual damages, for Defendant having knowingly committed its conduct. Additionally, Plaintiff is ultimately entitled to recover damages in an amount not to exceed three times the amount of mental anguish and actual damages due to Defendant having intentionally committed such conduct.

40. As a result of Defendant's unconscionable, misleading, and deceptive actions and conduct, Plaintiff has been forced to retain the legal services of the undersigned attorneys to protect and pursue these claims on his behalf. Accordingly, Plaintiff also seeks to recover his costs and reasonable and necessary attorneys' fees as permitted under Section 17.50(d) of the Texas Business & Commerce Code, as well as any other such damages to which Plaintiff may show himself to be justly entitled at law and in equity.

D.
VIOLATIONS OF TEXAS INSURANCE CODE

41. Plaintiff hereby incorporates by reference all facts and circumstances set forth within the foregoing paragraphs.

42. Defendant's actions constitute violations of the Texas Insurance Code, including but not limited to, Article 21.21 Sections 4(10) (a) (ii), (iv), and (viii) (codified as Section 541.060), Article 21.21 Section 11(e) (codified as Section 541.061), and Article 21.55 Section 3(f) (codified as Section 542.058). Specifically, Defendant engaged in certain unfair or deceptive acts or practices that include, but are not limited to the following:

- a. Failing to attempt, in good faith, to effectuate a prompt, fair, and equitable settlement of a claim with respect to which the insurer's liability has become reasonably clear;

Electronically Filed at

Leopoldo Vielma, District Clerk
Maverick County, Texas
By: M Cazares, Deputy

- b. Failing to provide promptly to a policyholder a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's denial of a claim or for the offer of a compromise settlement of a claim;
- c. Refusing to pay a claim without conducting a reasonable investigation with respect to the claim;
- d. Forcing Plaintiff to file suit to recover amounts due under the policy by refusing to pay all benefits due;
- e. Misrepresenting an insurance policy by failing to disclose any matter required by law to be disclosed, including a failure to make such disclosure in accordance with another provision of this code; and/or
- f. Failing to pay a valid claim after receiving all reasonably requested and required items from the claimant.

43. Plaintiff is the insured or beneficiary of a claim which was apparently valid as a result of the unauthorized acts of Defendant, and Plaintiff relied upon these unfair or deceptive acts or practices by Defendant to his detriment. Accordingly, Defendant became the insurer of Plaintiff.

44. As a direct and proximate result of Defendant's acts and conduct, Plaintiff has been damaged in an amount in excess of the minimum jurisdictional limits of this Court, for which he now sues.

45. Since a violation of the Texas Insurance Code is a direct violation of the DTPA, and because Defendant's actions and conduct were committed knowingly and intentionally, Plaintiff is entitled to recover, in addition to all damages described herein, mental anguish damages and additional damages in an amount not to exceed three times the amount of actual damages, for Defendant having knowingly committed such conduct. Additionally, Plaintiff is entitled to recover damages in an amount not to exceed three times the amount of mental and actual damages for Defendant having intentionally committed such conduct.

46. As a result of Defendant's unfair and deceptive actions and conduct, Plaintiff has been forced to retain the legal services of the undersigned attorneys to protect and pursue these claims on his behalf. Accordingly, Plaintiff also seeks to recover his costs and reasonable and necessary attorneys' fees as permitted under Section 17.50(d) of the Texas Business & Commerce Code or Article 21.21 Section 16(b) (1) (codified as Section 541.152) of the Texas Insurance Code and any other such damages to which Plaintiff may show himself justly entitled by law and in equity.

**E.
BREACH OF THE COMMON-LAW DUTY
OF GOOD FAITH AND FAIR DEALING**

47. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

48. By its acts, omissions, failures and conduct, Defendant has breached its common law duty of good faith and fair dealing by denying Plaintiff's claims or inadequately adjusting and making an offer on Plaintiff's claims without any reasonable basis, and by failing to conduct a reasonable investigation to determine whether there was a reasonable basis for this denial.

49. Defendant has also breached this duty by unreasonably delaying payment of Plaintiff's entire claims and by failing to settle Plaintiff's claims, as Defendant knew or should have known that it was reasonably clear that Plaintiff's storm-related claims were covered. These acts, omissions, failures, and conduct by Defendant is a proximate cause of Plaintiff's damages.

**F.
BREACH OF FIDUCIARY DUTY**

50. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

51. Defendant had a fiduciary relationship, or in the alternative, a relationship of trust and confidence with Plaintiff. As a result, Defendant owed a duty of good faith and fair dealing to Plaintiff. Defendant breached that fiduciary in that:

- a. The transaction was not fair and equitable to Plaintiff;
- b. Defendant did not make reasonable use of the confidence that Plaintiff placed upon it;
- c. Defendant did not act in the utmost good faith and did not exercise the most scrupulous honesty toward Plaintiff;
- d. Defendant did not place the interests of Plaintiff before its own, and Defendant used the advantage of its position to gain a benefit for itself, at Plaintiff's expense;
- e. Defendant placed itself in a position where its self-interest might conflict with its obligations as a fiduciary; and/or
- f. Defendant did not fully and fairly disclose all important information to Plaintiff concerning the sale of the policy.

52. Defendant is liable for Plaintiff's damages for breach of fiduciary duty, as such damages were objectively caused by Defendant's conduct.

**G.
UNFAIR INSURANCE PRACTICES**

53. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

54. Plaintiff has satisfied all conditions precedent to bringing these causes of action. By its acts, omissions, failures, and conduct, Defendant has engaged in unfair and deceptive acts or practices in the business of insurance in violation of Chapter 541 of the Texas Insurance Code.

55. Such violations include, without limitation, all the conduct described in this Original Petition, plus Defendant's failure to properly investigate Plaintiff's claim. Plaintiff also includes Defendant's unreasonable delays in the investigation, adjustment, and resolution of

Plaintiff's claims and Defendant's failure to pay for the proper repair of Plaintiff's Property, as to which Defendant's liability had become reasonably clear.

56. Additional violations include Defendant's hiring of and reliance upon biased adjusters and/or engineers to obtain favorable, result-oriented reports to assist it in low-balling and denying Plaintiff's storm-related damage and related claims. Plaintiff further includes Defendant's failure to look for coverage and give Plaintiff the benefit of the doubt, as well as Defendant's misrepresentations of coverage under the subject insurance policy. Specifically, Defendant is also guilty of the following unfair insurance practices:

- a. Engaging in false, misleading, and deceptive acts or practices in the business of insurance in this case;
- b. Engaging in unfair claims settlement practices;
- c. Misrepresenting to Plaintiff pertinent facts or policy provisions relating to the coverage at issue;
- d. Not attempting in good faith to effectuate a prompt, fair, and equitable settlement of Plaintiff's claims as to which Defendant's liability had become reasonably clear;
- e. Failing to affirm or deny coverage of Plaintiff's claims within a reasonable time and failing within a reasonable time to submit a reservation of rights letter to Plaintiff;
- f. Refusing to pay Plaintiff's claims without conducting a reasonable investigation with respect to the claims; and/or
- g. Failing to provide promptly to a policyholder a reasonable explanation of the basis in the insurance policy, in relation to the facts or applicable law, for the denial of a claim or for the offer of a compromise settlement.

56. Defendant has also breached the Texas Insurance Code when it breached its duty of good faith and fair dealing. Defendant's conduct as described herein has resulted in Plaintiff's damages that are described in this Original Petition.

H.
MISREPRESENTATION

57. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

58. Defendant is liable to Plaintiff under the theories of intentional misrepresentation, or in the alternative, negligent misrepresentation. Essentially, Defendant did not inform Plaintiff of certain exclusions in the policy. Misrepresentations were made with the intention that they should be relied upon and acted upon by Plaintiff who relied on the misrepresentations to his detriment. As a result, Plaintiff has suffered damages, including but not limited to loss of the Property, loss of use of the Property, mental anguish and attorney's fees. Defendant is liable for these actual consequential and penalty-based damages.

I.
COMMON-LAW FRAUD BY NEGLIGENT MISREPRESENTATION

59. Plaintiff hereby incorporates by reference all facts and circumstances in the foregoing paragraphs.

60. Plaintiff would show that Defendant perpetrated fraud by misrepresentation (either intentionally or negligently) by falsely representing a fact of materiality to Plaintiff, who relied upon such representations that ultimately resulted in his injuries and damages. Alternatively, Defendant fraudulently concealed material facts from Plaintiff, the result of which caused damage to Plaintiff as a result of the storm-related damages.

61. Specifically, and as a proximate cause and result of this fraudulent concealment, fraud and negligent misrepresentation, all of which was perpetrated without the knowledge or consent of Plaintiff, Plaintiff has sustained damages far in excess of the minimum jurisdictional limits of this Court.

62. By reason of Plaintiff's reliance on Defendant fraudulent representations, negligent misrepresentations and/or fraudulent concealment of material facts as described in this complaint, Plaintiff has suffered actual damages for which he now sues.

63. Plaintiff further alleges that because Defendant knew that the misrepresentations made to Plaintiff were false at the time they were made, such misrepresentations are fraudulent, negligent or grossly negligent on the part of Defendant, and constitute conduct for which the law allows the imposition of exemplary damages.

64. In this regard, Plaintiff will show that he has incurred significant litigation expenses, including attorneys' fees, in the investigation and prosecution of this action.

65. Accordingly, Plaintiff requests that penalty damages be awarded against Defendant in a sum in excess of the minimum jurisdictional limits of this Court.

WAIVER AND ESTOPPEL

66. Plaintiff hereby incorporates by reference all facts and circumstances set forth under the foregoing paragraphs.

67. Defendant has waived and is estopped from asserting any defenses, conditions, exclusions, or exceptions to coverage not contained in any Reservation of Rights or denial letters to Plaintiff.

DAMAGES

68. Defendant's acts have been the producing and/or proximate cause of damage to Plaintiff, and Plaintiff seeks an amount in excess of the minimum jurisdictional limits of this Court.

69. More specifically, Plaintiff seeks monetary relief of over \$100,000, but not more than \$200,000 including damages of any kind, penalties, costs, expenses, pre-judgment interest, and attorney fees.

ADDITIONAL DAMAGES & PENALTIES

70. Defendant's conduct was committed knowingly and intentionally. Accordingly, Defendant is liable for additional damages under the DTPA, section 17.50(b) (1), as well as all operative provisions of the Texas Insurance Code. Plaintiff is, thus, clearly entitled to the 18% damages allowed by the Texas Insurance Code.

ATTORNEY FEES

71. In addition, Plaintiff is entitled to all reasonable and necessary attorneys' fees pursuant to the Texas Insurance Code, DTPA, and sections 38.001-.005 of the Civil Practice and Remedies Code.

JURY DEMAND

72. Plaintiff demands a jury trial and tenders the appropriate fee with this Original Petition.

REQUEST FOR DISCLOSURE

73. Pursuant to the Texas Rules of Civil Procedure, Plaintiff requests that Defendant disclose all information and/or material as required by Rule 194.2, paragraphs (a) through (l), and to do so within 50 days of this request.

REQUEST FOR PRODUCTION

74. Pursuant to the Texas Rules of Civil Procedure, Plaintiff propounds the following Requests for Production.

a. Please produce Defendant complete claim files from the home, regional, local offices, and third party adjusters/adjusting firms regarding the claims that are the subject of this matter, including copies of the file jackets, "field" files and notes, and drafts of documents contained in the file for the premises relating to or arising out of Plaintiff's underlying claim.

Please identify the persons involved in the investigation and handling of Plaintiff's claims for insurance benefits arising from damage relating to the underlying event, claims or the Property, which is the subject of this suit, and include a brief description of the involvement of each person identified, their employer, and the date(s) of such involvement.
